ORDER :

The Managing Director, Hyderabad Metropolitan Water Supply and Sewerage Board (HMWSSB) in his letter read above has stated that Hyderabad Metropolitan Water Supply and Sewerage Board (HMWSSB) supplies drinking water to the citizens of the twin cities - Hyderabad & Secunderabad covering the Greater Hyderabad Municipal Corporation [GHMC] area and provide bulk water supply to the Cantonment Board, Osmania University, MES, Railways, Industrial Units etc. Further, he has also stated that presently, Hyderabad Metropolitan Water Supply and Sewerage Board (HMWSSB) is drawing water from the following five sources – (1) Osmansagar, (2) Himayathsagar, (3) Manjira (Phase I & II), (4) Singur (Phase III & IV) and (5) Krishna (Phase I & II Akkampally Balancing Reservoir). Further, the Managing Director, Hyderabad Metropolitan Water Supply and Sewerage Board (HMWSSB) while reporting the status of the drawls from each of the aforesaid sources, also prepared the summer action plan by identifying water stressed areas in Greater Hyderabad Municipal Corporation (GHMC). Further, the Managing Director, Hyderabad Metropolitan Water Supply and Sewerage Board (HMWSSB) also requested the Govt. to sanction an amount of Rs.81.10 crores for effective drinking water supply to Twin Cities, out of which Rs.36.10 crores is required for undertaking summer action plan from the State Disaster Relief Fund, (the erstwhile Calamity Relief Fund [CRF]) and the balance of Rs.45.00 crores is required for long term action plan, which may be met from the normal budgetary grants of the State Government.

**2]** The Municipal Administration & Urban Development Department also informed that the proposal of the Managing Director, Hyderabad Metropolitan Water Supply and Sewerage Board was reviewed in the Board meeting held under the Chairmanship of the Hon'ble Chief Minister of Andhra Pradesh on 27.3.2010. The Managing Director, Hyderabad Metropolitan Water Supply and Sewerage Board (HMWSSB) also observed that in view of the above facts, HMWSSB prepared a Summer Action Plan by identifying the water stressed areas in Greater Hyderabad Municipal Corporation [GHMC] and prioritized for providing immediate measures to provide drinking water to the areas likely to be affected. In order to supplement the extra water to such areas were worked out by diversion from the existing sources and also by augmenting from the Krishna river sources, with the help of the existing water/pipeline systems, to the extent possible. The short term solution include - strengthening of distribution network for equitable distribution by laying feeder mains, junction works and additional boosters based on necessity and requirements; also by arresting the leakages on transmission mains, reservoirs and the distribution network; repairs to the existing borewells and the hand borewells; providing supplies through the static tanks and also by deploying additional water tankers in the ill-served areas; rectification of pollution in pipe lines with suitable replacements etc. After a detailed analysis, it was decided to propose for release of Rs.14.60 crores for emergency works during summer months under State Disaster Relief Fund [SDRF] and requested for release of an amount of Rs.14.60 crores to HMSSWB, Hyderabad.

**3]** Government after careful examination of the proposals of the Managing Director, Hyderabad Metropolitan Water Supply and Sewerage Board and Municipal Administration & Urban Development Department and keeping in view of the drinking water problem, have decided to sanction an amount of Rs.14.60 crores (Rupees Fourteen Crores and sixty lakhs only) from the State Disaster Relief Fund (SDRF) for effective drinking water supply to Twin Cities.
